Auto Pay is the convenient, safe and automatic way to pay your monthly VISA credit card bill. Protect your good credit. Never worry about due dates or mail delays. Save the cost of postage and checks.

Choose from two different payment options:

1. A fixed payment amount
2. Your minimum payment amount

Payments will be transferred automatically from your checking or savings to your credit card account each month on the last business day of the month. A service charge will apply if there are insufficient funds in the checking or savings account to cover the transfer.

You may stop this auto pay by notifying the Credit Union in writing three (3) business days before the payment due date.

Simply complete the form below, fax it to 651-646-1834, or mail it to the Credit Union. For additional information, contact the Credit Union at 651-646-8827.
